

Text for the second page of the examination certificate

Preparatory adult education programme (Forberedende voksenundervisning or FVU)

Preparatory adult education, cf. Consolidation Act No. 142 of 14 February 2024, is part of the public educational system.

It is the aim of the programme to provide education that will enable adults to improve and supplement their basic skills and to strengthen qualifications for subsequent education and active participation in all aspects of society.

The assessment has been made in accordance with the rules stipulated in the Executive Order on the Marking Scale and Other Forms of Assessment cf. Consolidation Act No. 262 of 20 March 2007.
